Mercateo awarded Silver Rating by EcoVadis

Germany, Leipzig, 5th February 2020 - In December 2019 the Mercateo Group, operator of Europe's B2B platforms mercateo.com and unite.eu, was once again awarded a Silver Rating by EcoVadis for their CSR initiatives. This puts Mercateo in the top 18 percent of companies assessed in their industry.

„We are delighted about this recognition awarded to our CSR activities“, says Peter Ledermann, Co-CEO at Mercateo. "However, the report also highlights the need for further improvements, guiding our continuous efforts. We are in the business of enabling collaboration through networks, consolidating the requirements of the market with our own values. So we are not only guided by external standards, but CSR at Mercateo, like many other topics, is primarily intrinsically motivated.

EcoVadis is a global provider of business sustainability ratings, intelligence and collaborative performance improvement tools for global supply chains. EcoVadis' sustainability scorecards provide detailed insight into environmental, social and ethical risks across 198 purchasing categories and 155 countries.
